That's the president of this school's student council!
I wish I could've been in Japan for that election...
There wasn't really any interest in the election though...
WHI
Don't tell me it's this nutjob!?
Are you all trying to taunt the president!?
Not at all. In fact, we're quite impressed by his power!
You shouldn't get so worked up. You're letting your opponent set the pace.
swish
It seems those guys believe they can wear us out if they keep doing that
How'd he figure it out!?
SHOCK
Why'd you even consider that

ナイツ&ウィザード コミック

Summary

As a high school student, Ryuunosuke's daily life is hectic. However, he's actually a wizard who protects the world from extraordinary crises. This causes him some serious problems that seem to attract all kinds of danger such as his unique constitution causing him to transform into a girl whenever his chest throbs. Ryuunosuke, the magician Mayuri Vanstein and the cat person Ageha form a party to search Kimei Academy together. Their goal is the Jewel of Wisdom hidden within the school. It seems the gem has the ability to answer any question when used. Their search causes the masked student council president Takakura Misaya to appear before them, but he has the atmosphere of someone who's not an ordinary person.
